

Photos

Photo 1. June 14, 2014.
Overview of trial, before the first mowing on July 1 which controlled most of the broadleaved weeds visible here. Control: first block on right, triticale: first block on left.

Photo 2. July 18, 2014.
Overview of trial. Control in front, then triticale.

Photo 3. August 10, 2014. Triticale

Photo 4. August 10, 2014. Ryegrass.
